CASE DOCUMENTATION FORMAT:

Given below is a guideline for the required documentation of cases submitted for Diplomate application. Cases should be documented digitally in a slide format. All clinical pictures and radiographs should be appropriately labelled. The presentation of each case should include the following details in the order given:

- Case number (e.g. Case1)
- Patient Initials / Code name (e.g. RT)
- Patient medical history
- Dental history and current dental status
- Pre-operative radiograph and clinical picture
- Recommended treatment plan
- Date of surgery
- Details of Pre-Implant grafting, if carried out. Add relevant clinical picture
- Number of implants placed and their location
- Augmentation procedure carried out with clinical picture
- Post-operative radiograph and clinical picture
- Postoperative maintenance
- Type of implant restoration
- Date of prosthesis delivery
- Post prosthesis radiograph and clinical picture
- Clinical picture and radiograph of 2-year functional prosthesis

Pointers for submitting your cases

- All cases should be documented in a single presentation and saved as a single file. One case equates to one patient. The same can be uploaded through the upload portal on the site.
- Remember to label the first slide of every case with the case number and patients initials (e.g. Case1 – RT).

- Complete the case documentation template in its entirety for each case. If you do not have the information, provide rationale or if it does not apply, write N.A.
- Required radiographs:
 - Pre-Op
 - Post-Surgical
 - Post Prosthetic
 - Image with the final restoration(s) in function for a minimum of 2 years

CT scans are admissible but not mandatory, however only include the relevant slices

- Required photos: (both pre-op and post-op)
 - Occlusal view of maxillary and mandibular arch
 - Frontal view, left side and right side in maximum intercuspation position (MIP)
 - Occlusal views of all implant attachment mechanisms
 - Views of tissue surface areas of the removable prostheses

The candidate must ensure due diligence to submit cases that are complete and accurate. The declaration on the last page of the application form must be duly signed. In the event the candidate is found not to have made an honest and accurate submission, the application will be rejected without any refund of fees.
